Vol. 7, No. 3, 2009

## AGRONOMY AND AGROECOLOGY

- The Stimulation of Nitrification in an Organically Enriched Soil by Zeolitic Tuff and its Effect on Plant Growing** 9  
*P.J. Leggo, B. Ledésert*
- The Effect of Afteraction of Clinoptilolite-containing Tuffs Applied in the Soil on the Yield of some of Wine Varieties of Grape** 16  
*T.G. Andronikashvili, M.K. Gamisonia, T.N. Kordzakhia, E.V. Kurtanidze*
- Pollen Morphology of the Genus *Convolvulus* L. (*Convolvulaceae* Juss.). Part 1.** 20  
*A. M. Hayrapetyan*
- Mathematical Model of Nutrient Regime of Haplic Kastanozems** 26  
*V.V. Bashirov*
- The Influence of the Environment Polluted from the Heavy Metals on the Quality of Milk Products** 29  
*G.D. Agladze, G.V. Basiladze, E.G. Kalandia*
- The Influence of Deficiency of Norms of Irrigation on Productivity of Agricultural Crops** 33  
*G.M. Yegiazaryan, H.R. Gevorgyan, R.R. Martirosyan*
- Introduction of 2,4,6-Trinitrotoluene-Degrading Bacteria for the Intensification of Contaminated Soils Bioremediation Process** 38  
*N. A. Gagelidze, Kh. J. Varsimashvili, L. L. Amiranashvili, E.G. Kirtadze*
- Physical-Chemical Changes in Mountain-Forest Cinnamonic Soils of Small Caucasus under Anthropogenic Influence** 43  
*M.P. Babayev, E.E. Mammadov, R.H. Aslanova*
- The Effectiveness of the Influence of Organic-Mineral Fertilization and Bee-Pollination on Legumes in Natural Ecosystems and Agroecosystem of the Basin of Sevan Lake of the Republic of Armenia** 48  
*M.A. Galstyan*
- Estimation of Turiyanchay-Geychay Rivers Basin's Soils with using Soils-Climate Formulas** 51  
*Q. Ş. Mammadov, L.R. Kerimova*
- Soil Erosion in the Rivers Basins of Georgia** 55  
*G.P. Gogichaishvili, T.T. Urushadze*
- Potato Minituber Production by Use of Tissue Culture Techniques** 62  
*A.J. Sahakyan, G.H. Melyan, V. P. Makyan, A. F. Razuk*
- Species Composition of the Free-Living Protists from Forest and Cultivated Soils of the Northern-East Azerbaijan** 65  
*S.A. Eminova*
- Ecological Estimation of Soil Cover of the Absheron Peninsula** 69  
*V.A. Babayev*
- Basic Cenosis of Herbage of Natural Meadowlands of East Georgia and their Improvement** 73  
*V.G. Iashvili, L.S. Tabatadze, N.Ch. Chaganava*
- Contemporary Situation of Degradation of the Soils in the Mil-Garabakh Plain** 76  
*S. Kh. Omarov*

## AGROENGINEERING

- Forecasting the Methods of Hydrogeological Flowing Wells Discharges** 81  
*N.L. Melikyan*
- To the Theory of Flow Irrigation** 85  
*Z.K. Lobzhanidze*
- The Estimation of the Runoff of Bottom and Direct Runoff Sediments of the Rivers in East Georgia** 91  
*R.V. Diakonidze, G. G. Chakhaia, L.N. Tsulukidze, Zh. G. Mamasakhlisi*
- The Study of the Barrier Properties of the Combined Films** 94  
*Nazani Zandiin, E.G. Mailova*
